EXHIBITION

INTRODUCTION

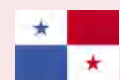

The 2022 China (Chongqing) Cross-Border E-Commerce Fair was successfully held at the Chongqing International Expo Center from July 21-24, 2022. Focusing on the theme of "Trade Digitalization Reshaping New Business Opportunities for Cross-border Trade", a total of 648 enterprises from 20 national exhibition groups, 14 provincial and municipal delegations, 24 well-known cross-border platforms at home and abroad and 25 industrial belts attended the exhibition, covering a total area about 40,000 square meters. It is currently the largest cross-border e-commerce professional exhibition with the most industrial belts and the most complete industrial chain in the western region of China.

The Trade Development Bureau of the Ministry of Commerce, and the Chongqing Municipal Commission of Commerce will continue to hold the second China (Chongqing) Cross-Border E-Commerce Fair at the Chongqing International Expo Center from May 18-21, 2023. The China (Chongqing) Cross-Border E-Commerce Trade Fair (ICEC) will be held in parallel with the 5th Western China International Fair for Investment and Trade, aiming to help traditional foreign trade manufacturing enterprises in western China to go online, improve online transaction capabilities, and promote traditional manufacturing enterprises to achieve digital transformation and brand development.
